Sunday School Excursion,

The following essay was selected from a number written as a composition We notice the following named boys exercise by the pupils in the school. It essay writing.

essay writing.

This was the second annual exempts of the M. E. Sabbath school. It was largely attended by the people both young and old, from the country and village. It was for the purpose of laving a good time, and we all enjoyed ourselves very much. We intended to Shagh Sida and undoubtedly had as good a time as the mough we had gone where we intended. It was expected the train would start in forgelve minutes past seven o'clock in the meaning, but it did not get started until eight o'clock. Hwas all confusion at the depot but nothing of any consequence happened. There were seven ears which were well filled. There were seven ears which were well filled. There were seven all confusion at the depot but nothing of any consequence happened. There were seven sers which were well filled. There were seven ears which were well filled. There were seven ears which were well filled. There were seven of ears which were hard boys got out and picked berries. We need through the towns of Green's Corners, Fargo, Gratiot Centre, Kingsley, and Ft Gratiot. These are small towns, Fort Gratiot being the largest. We also passed through the stations of Sagimaw Junction and North Street, and the city of Fort Huron. Fort Huron is a port of entry, it has a large enosting trady and important railway connections with Canada and Mackam. It has a population of 10,281. The constry which we passed through the scentry by the river is quite attractive.

tractive.

I am sure we all empreed the ride down the St Clair river. We sawmany fine residences. We went to St Clair and on the way passed the Somerville school which is a fine building with splendid grounds; also the Cakland House which is four stories high. This is the house which the President and bride intensity visiting in August. Then we went back up the river to Shady Side. When we arrived we fogdle another ple-nie already there. Shady/Side is on the west side of the river. The amisements were first, dinner which we all ate with a hearty good relish. After which the children started for the swings, while some of the neen and boys went to play ball. ment of all our business affairs within the next four weeks. We wish to say to those who are indebted to us for subscription, job work or advertising, that our agent. Chaa. Townsend, will call on you within that time and we hope you will be prepared to settle with him. We have carried on business here now for over four years and it is about time we made a settlement with all who are indebted to us.

Which we all ate with a hearty good reliab. After which the children started for the swings, while some of the men and busy went to support the play ball. While on the grounds we heard those who were in the boat cheer, and went immediately to the sonic and saw a log coming out of the river all went on a seam in the root cheer, and went immediately to the sonic on the grounds out of the river all went had and saw a log coming out of the river all went had and saw a log coming out of the river all went had and saw a log coming out of the river all went had and saw a log coming out of the river all went had and saw a log coming out of the river all went had and saw a log coming out of the river all went had and saw a log coming out of the river all went had and saw a log coming out of the river all went had and saw a log coming out of the river all went had and saw a log coming out of the river all went had and saw a log coming out of the river all went had and saw a log coming out of the river all went had and saw a log coming out of the river all went had and saw a log coming out of the river all went had and saw a log coming out of the river from a row loost in which he had false on the grounds we heard those who were in the some of the men and went and went had and saw a log coming out of the river all went had and saw a log coming out of the river all went had and saw a log coming out of the river all went had and saw a log coming out of the river all went had and saw a log coming out of the river all went had and saw a log coming out of the river all went had and saw a log coming out of the river all went had and Golden Wedding.

MISTAKEN IDEA

have openly called upon him to change the very bill stolen from him, or would I have gone to his dear friend Shiel to place myself in like peril? Or would I have changed the bill at some distance from place and where detection would be unfavorable? A candid look at this matter is all that is desired on part of my neighbors. The defendant was acquitted and no costs placed on me in the case, showing that I was justified in bringing the suit. Geo Robinson.
